The West Brunswick Amateur Football Club is seeking expressions of interest for its 2021 coaching team for the following positions:

## Division 2 Men's Reserves Coach Premier Women's Reserves Coach

In 2019, West Brunswick Amateur Football Club had three men's and two women's football teams competing in the Victorian Amateur Football Association, where three WBAFC teams played finals. The playing list at WBAFC is strong, and boasts a lot of depth across all grades.

Both reserves teams at West Brunswick have a history of success. In 2019, playing in division 1, the men's reserves made their eighth consecutive finals appearance, while the women's reserves team finished atop the ladder in the Premier division and won the premiership for the second year in a row.

At West Brunswick, we espouse a 'one club' culture, and are looking for coaches who are committed to working with the club committee, and all men's and women's coaches to promote a positive and unified club. The successful candidates will receive support to achieve their individual and club coaching goals through certification and ongoing development, while working alongside our senior coaches, who each have a wealth of experience and a history of success as both players, and coaches.

The successful candidates will possess the following skills and attributes:

- a strong knowledge of the game
- the ability to develop players' skills and fitness
- the ability to implement a cohesive game plan
- strong communication skills on and off the field
- demonstrated leadership capabilities

The successful candidate must have, or be willing to obtain, a current Level 1 AFL coaching accreditation. WBAFC will fund the level 1 accreditation for the successful applicants.

The primary duties of the reserves coaches are:

- Coaching: on match days and at trainings beginning in pre-season
- Team selection: working with the senior and thirds coaches to select teams
- Development: develop and prepare players for senior football
- Strategy: work closely with the senior coaches to implement a consistent club strategy and game plan
- Promotion of the club's culture and values
